Please see the attached poster for further details.

Term 1 Success!

How have we nearly reached the end of Term 1 already!?

It has been an incredible few weeks and the progress we have seen across all sites has been impressive! We are so lucky to have so many skilled staff across our school, working together to provide the most brilliant experiences for your children and young people.

Just a few of the things this term include:

- Opening of a brand-new satellite site in Tidworth
- 2x practice Duke of Edinburgh expeditions (camp out)
- Start of La Folia project with KS3
- Grasshoppers Class joining for PE at Somerset Rd
- Weekly swimming, park and community trips
- Weekly shopping trips
- Weekly visit to Snooker Club!
- Cinema trips
- Collaborative sessions within departments
- Department assemblies
- Sports coaches visiting weekly
- Weekly riding sessions
- Rebound Therapy
- RISE Therapy training for teachers across all sites
- ...and many, many more!

Evidence for Learning

This is our online platform for recording evidence and sharing learning about your children and young people. If you are having any difficulty accessing this and have not received login details by the end of Monday 19th October, please let the school office know.

Pembroke Park

At our Pembroke Park satellite, the children have been using the library area in the School to do their phonics work, which has been really exciting. They had their first session on Monday and had a fabulous time. Thank you to Pembroke Park for allowing us to use the space and look forward to more opportunities to work together.

PTFA – Members Needed!

Our brilliant PTFA would love to have some new members! It is currently exclusively formed by staff, who do a brilliant job of putting on events and organising fundraisers but would love to have some parents join. If you think you can help, please email: friendsof@exeterhouse.uk

Family Support

Please see the information below from Mikaela, our Family Support Worker about an idea to support giving pre-loved uniform a new home and a QR code which links to a survey about parental preferences for workshops. Please do take a minute to respond by using the code or the following link: <https://forms.cloud.microsoft/e/aM3qLRXFcA>
